COSTA NAVARINO, the prime, sustainable destination in the Mediterranean, is located in Messinia in the southwest Peloponnese, amidst one of the most unspoiled and breathtaking seaside landscapes, in a region shaped by 4,500 years of history.

So far, Costa Navarino has been developed in two distinct seaside landscapes, “Navarino Dunes” and “Navarino Bay”. Navarino Dunes is the setting for two luxury 5-star hotels, “The Romanos, a Luxury Collection Resort”, and “The Westin Resort Costa Navarino”. It is also home to The Dunes Course, Greece’s first signature golf course, designed by former US Masters Champion and Ryder Cup Captain Bernhard Langer in association with European Golf Design. The second signature golf course, The Bay Course, was designed by the legendary Robert Trent Jones Jr. and is located at the nearby Navarino Bay site.

Navarino Dunes also features the 4,000 m² Anazoe Spa, offering a full range of specialist treatments inspired by ancient Greek practices, the House of Events, a multi-purpose and highly versatile conference center accommodating up to 1,700 people, the Cocoon care center for infants, the Sandcastle, a specially designed youth hub offering exciting recreational/educational activities, the Agora authentic village center, Navarino Natura Hall, an interactive environmental exhibition center, as well as a wide range of sports and cultural activities for all ages.

Costa Navarino philosophy is driven by a genuine desire to promote Messinia, while protecting and preserving its natural beauty and heritage. Costa Navarino adheres to strict environmental protection guidelines and management principles, recognizing the significant contribution of a pristine natural environment to the development of a sustainable tourism product. Its vision is to establish Costa Navarino and Messinia as a model destination where people from all over the world wish to not only visit but also to reside.
